

Science Fair in a Box Student Registration Instructions

1. To eliminate duplicated registrations only enter one registration per project. Group projects are entered once only, by one of the students who will gather all the required information for all team members.

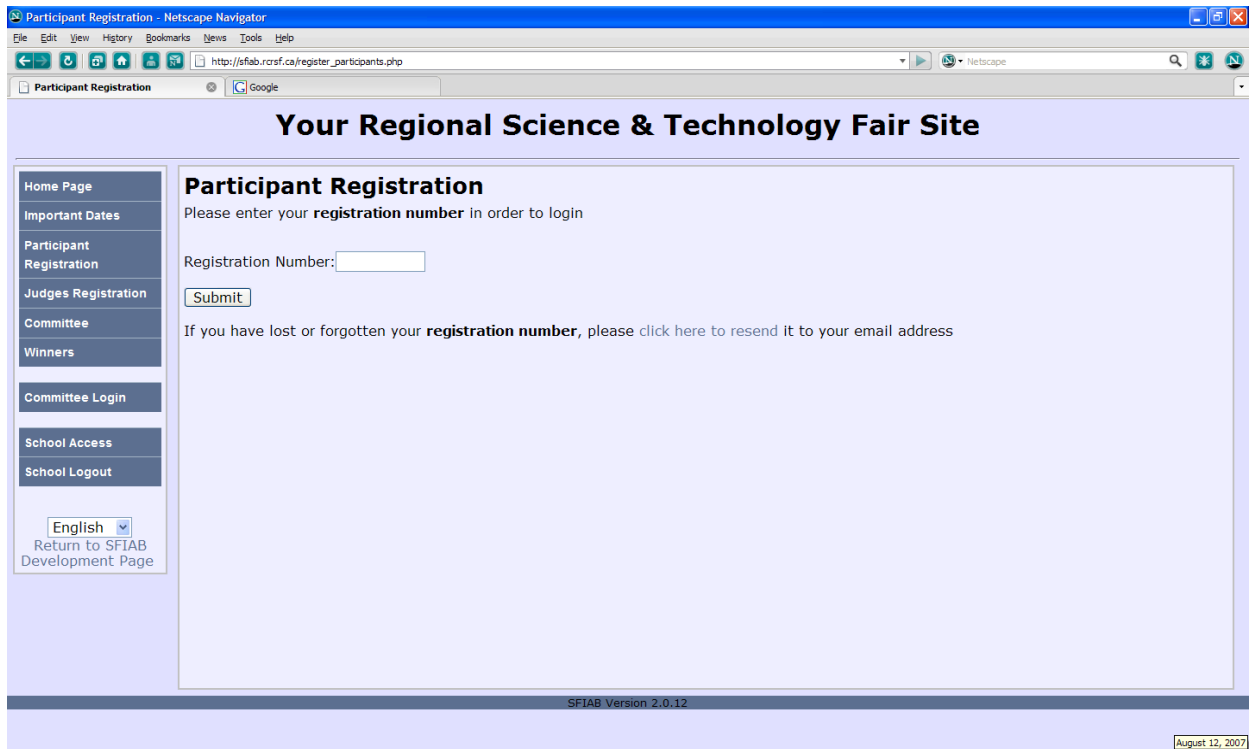

The following link is a worksheet that can be printed and used to collect your project information prior to entering it in the online registration process [Registration worksheets](#)

2. Once you have all your information go to the on line registration site for your regional fair

3. Enter your email address click begin.

4. Once you have received your registration number via email enter it here and click submit
