Poster Contest

sponsored by:

Canadian Nuclear Society – Chalk River Branch (CNS-CRB)

in collaboration with the

Renfrew County Regional Science and Technology Fair (RCRSTF)

*Opened to all students in Grades 6, 7, 8
in
Renfrew County*

Rules:

- The poster theme is “Uses of Nuclear Science and Technology”
 - *Examples: electricity production, district heating, nuclear medicine, food irradiation, transportation, space propulsion, etc.*
- Prepare an original poster/drawing on a 11” x 17” sheet of paper.
- Entries are limited to one poster per student.
- Name, grade, school, phone # and teacher must be on back of poster.
- If you want to participate in the poster contest, contact Ruxandra Dranga by March 22, 2012.
- The poster must be brought to the Renfrew County Regional Science and Technology Fair (RCRSTF) at the Petawawa Civic Centre at 9:00 am, on Saturday, March 31, 2012 for display and judging. Also see <http://rcrsf.ca>.

Prizes:

- The three best posters will be selected by a team of judges from the CNS-CRB.
- Each will receive a prize with an equivalent worth of approximately **\$100**.
